

Technical Assistance
Study for the Ventilation
Units Product Group

News release No. 5 - Ventilation Units Study, 6 November 2015

For new registrants, thank you, for your registration for the webpage of the Technical Assistance Study for the Ventilation Units Product Group. We hereby send you our fifth news release.

Second stakeholder meeting, 17 December in Brussels

We can now announce that the second stakeholder meeting will take place in Brussels, Belgium, on 17 December from 10:00 to 16:30. The registration will open mid-November and as registrant for the website you will be notified by e-mail when it happens.

Draft Commission communication – Transitional methods

The draft Commission communication including measurement and calculation methods is now available in the documents section of the website:

http://ventilationunits.eu/media/1050/draft_commission_communication_vu_06112015.pdf

In addition, we expect to start releasing some of the answers for the frequently asked questions next week.

Best regards,

The Project Team
